Statement of Milwaukee County Board Chairwoman Marina Dimitrijevic on Passage of AB 85:

"While disappointed in the advancement in the Assembly towards passage of AB 85, the Milwaukee County Board is working hard on local reform. We will continue to move forward on our local efforts to make county government more effective and more efficient in providing services to the residents of Milwaukee County.

"We are hopeful the Legislature knows how funding transit and mental health services is what will really help improve the lives of Milwaukee County residents."
